Discover an exceptional 4-acre equestrian setting offering level, usable land. Featuring a 4-stall barn with plenty of hay storage, loft, garage/storage area, large tack room and covered porch, this property provides an ideal environment for horses, hobbies, or storage. A versatile 25'x38', 3-bay shop with 10' doors adds tremendous value with its heated, unfinished office space—perfect for a workshop, studio, or possible future DADU conversion—along with dedicated RV parking for trailers or recreational vehicles. The light-filled rambler offers an inviting open floor plan with hardwood floors flow throughout the main living spaces. The kitchen shines with an eating bar and easy connection to the great room. The primary suite provides a private retreat with a full bath, walk-in closet, adjoining office area, and direct deck access overlooking the acreage.
